International Teaching Days @ IMC Krems

10 – 13 April 2024

Activities

Unique international experience: our Teaching Days will partly be combined with our International Staff Week, taking place at the same time!

Innovative | international | people-focused: That's IMC! Get to know our departments & staff.

Lifelong learning – “Let’s teach with AI”: training with our teaching & media specialists.

“The International Classroom Experience”: keynote and exchange with international experts.

International spirit – make new contacts & friends at our international breakfast.

Wachau Valley – visit the famous UNESCO World Heritage on an unforgettable day trip.

Ancient history | modern culture - get to know the city of Krems on a walking tour.

Tradition | wine – let’s enjoy a dinner together at a typical Austrian wine tavern.

Spread your knowledge!
