bartashevaska@duan.edu.ua

III International scientific conference for students and researchers

INFORMATION TECHNOLOGIES: BUSINESS, SCIENCE, EDUCATION

The abstracts are to follow these demands:

Volume 2 pages in English or Ukrainian, font name Times New Roman, font size 12, line spacing 1, borders: upper and bottom – 1,5 sm; right – 1,5 sm, left – 2 sm. Format Microsoft Office Word (*doc, *.docx or *.rtf files).

The author's initials and second name are given right in bold, below the name of the institution where the author studies/works (with the year of studying for students). There should be a vacant line between the name of the institution and the name of the abstract. The name of the abstract is given in the middle of the line IN CAPITAL BOLD LETTERS. The first line of each paragraph is 0.4 inches. After the abstract the right corner, the name of the research adviser (if any) is provided. The list of references comes after the main part of the text of the abstract in alphabetical order and is formatted according to the sample provided.

The sample of the abstract formatting:

I. Ivanov

*Master Degree, 1st year of studying,
speciality 053 “Psychology”
Alfred Nobel University, Dnipro*

A LIFE SCENARIO OF A PERSONALITY

The active advancement of Ukrainian educational services to the international market and preparation of competitive specialists demands the organization of the process of students' adaptation to a new society, its culture, and educational and informational professionally oriented environment of a higher educational institution.
